EXPRESSION OF INTEREST (EOI)

The Govt. of Haryana intends to install grid connected solar water pumping systems on pilot basis on two selected feeders. Before initiating the pilot project, the Govt. of Haryana intends to install two demonstration grid connected solar water pumping systems of capacity 5HP and 10 pumps each with Brush Less DC motors with export facility only on two feeders in district Yamunanagar and Karnal.

Accordingly, the reputed manufacturers/suppliers are hereby requested to send their consent to install these demonstration pumps. It is clarified that the payment for these pumps shall be made later on i.e. after the bids are invited for installation of these grid connected solar pumps and rates are finalized for the pilot project by the Govt.

The interested manufacturers/suppliers may send their consent along with test report in the following format on their letter head by **12.06.2019**:

Sr. No.	Particular	Details
1	Name and Address of the supplier	
2	Contact details of the concerned person	
3	Total experience of the supplier in grid connected solar pumps (No.) to any State or Centre or autonomous body	
4	Interest of the firm installing demo project of 5 HP or 10 HP or Both	

Declaration: I/we certify that I/we shall install the grid connected solar water pumping systems at the rates to be discovered by the Govt. of Haryana/Govt. of India in the tender of grid connected solar pumps.

NOTE: No correspondence in this regard shall be entertained by HAREDA. The decision of the Director, DNRE & HAREDA will be final and binding.
