

NOTICE

Regarding registration of the Solar Power Projects by NRE/HAREDA for providing connectivity by HVPNL

It is for the information to all the Solar Project Developers interested to develop solar power project in Haryana that the solar power projects which are not eligible for exemption of waivers as per amended Haryana Solar Power Policy-2016 may be registered with NRE/HAREDA only after granting the in-principle approval by HVPNL for setting up of the project.

Accordingly, all the interested Solar Project Developers are requested to apply in the prescribed format (enclosed) for registration of their Solar Power Project to NRE/HAREDA after grant of the in-principle approval by HVPNL for setting up of the solar power project to be connected with particular sub-station.

Dated: 31.05.2019

Director General,
New & Renewable Energy
Department Haryana/HAREDA,
Panchkula 

**Application Format for Registration of Solar Project without waivers under Haryana
Solar Power Policy 2016/ RE Regulations 2017**

1.	Name of the State	HARYANA
2.	Name of the Solar Power Project	
3.	Capacity of Project (in MWac)	
4.	Location of the proposed Project	
5.	Whether Solar Power Project to be installed is for Captive Consumption or for Third Party Sale	
6.	Name of the Solar Project Developer (SPD)	
6.1	Contract persons from SPD	
	i) Name & Designation	
	ii) Telephone/Mobile No:	
	iii) Email.ID	
6.2	Details of SPD:	
	i) Website:	
	ii) Telephone/Mobile No:	
	iii) Postal Address	
	iv) Email.ID	
7.	If SPD is a JVC, then Details of JVC	
7.1	Name of Parent / Ultimate Parent/ Affiliate/ Group Company	
8	Name of Sub-Station(s) the project is to be connected.	
8.1	Level of the Voltage at which power is to be injected.	
9	No. & date of in-principle approval issued by HVPNL	
10	Whether Project to be set up within the Solar Park or out side the Solar Park	
11	If, project is to be set up within the solar park, then name of the solar park	
12	Time period for Installation/commissioning of project ready to inject the solar power into the Grid	Within ____ of Days of in-principle approval
12.1	Time period for commissioning of project after Grid Readiness	Within ____ of Days of Grid Readiness
13.	Whether REC/RPO benefit will be availed for the Project (If yes, then registration for REC will be done through due process for REC registration separately).	
14.	If RPO benefits are to be availed, then provide details about Renewable Purchase obligated Entity/Entities.	
15.	Enclosures:	
	i) In-principle approval for connectivity issued by HVPNL	
	ii) Any other document (Pl. Specify)	

Undertaking:

We hereby undertake that:

1. We will follow the instructions/guideline of NRE/HAREDA/HVPL issued from time to time and provide the linkage of the project software with NRE/HAREDA software whenever asked to do so.
2. We will enter the data related to the project on NRE/HAREDA portal, when asked for.
3. We will submit monthly reports with regard to parameter like energy generated, revenue earned, power factor and capacity utilisation factor achieved, reasons for non-achievement of full generation and any other information so called for by New & Renewable Energy Department/HAREDA/Power Utilities so as to maintain and update data bank on solar power generation in the state and also for the purpose of monitoring of generation under RPO regulations.
4. We will allow the authorized person of NRE/HAREDA/Power Utilities to inspect the project at any time.

Date:

Signature of authorized person
with seal of the SPD
