**SUBJECT: RATE CONTRACT FOR DESIGN, SUPPLY, ERECTION, TESTING & COMMISSIONING OF GRID CONNECTED ROOFTOP SOLAR POWER PLANTS IN THE STATE OF HARYANA-Cancellation thereof.**

Reference: Rate Contract No. DRE-HAREDA/2018-19/ 1140-44 dated 22.02.2019 and this office letter no. 1115-1119 dated 12.02.2020.

This is in supersession of this office letter no. 1115-1119 dated 12.02.2020 on the subject cited above.

It is informed to all the concerned that it came to notice that the rates for design, supply, erection, testing & commissioning of Grid Connected Rooftop Solar Power Plants have been reduced in the tender invited by DISCOM for empanelment of the vendors for supply and installation of the GCRT solar power plants in domestic sector.

So, in view of the above it has been decided that:

1. The rate contract DRE-HAREDA/2018-19/ 1140-44 dated 22.02.2019 ceases to effect w.e.f. 12.02.2020.

2. The work orders already placed till 12.02.2020 may be completed by the respective firms as per T&C of the rate contract. However, if the respective firm offers/supply the GCRT solar power plants at reduced rate at any other place/any other office then price fall clause shall be applicable to the firm.
3. On request of the concerned departments/organisations, this office has allotted the firms for placing the work orders, but some of the offices have not placed the work orders to the allotted firms, so if the work orders are not placed till 12.02.2020, then they are requested not to place the WO on the basis of this rate contract.
4. All the above firms are also requested not to accept the new work orders after 12.02.2020 in reference to the rate contract under reference.
