To

All the Bidders
(Tender ID-43276)

Memo No. HAREDA /2017/1854
Dated Panchkula, the 08.09.2017

Subject: Regarding arranging rate contract of solar water pumping system

This is in reference to this office tender no. HAREDA/SPV Water Pumping System/2017-18/01 (tender ID-43276).

In this regard it is informed that this office has invited e-tenders for arranging the rate contracts of solar water pumping systems (Tender ID-43276). The technical bids for the same were opened on 20.06.2017.

Further, vide this office letter no. 1293 dated 20.07.2017, while placing the comparative statements of the technical bids and test reports on the official website of the office i.e. hareda.gov.in, an opportunity was given to all the bidders to submit the leftover document/ test report(s) of the tendered item (who have submitted the acknowledgement receipt of the test laboratory along with the bid) by 25.07.2017.

Based on the information/documents received from the bidders, the information has further been updated to the best possible extent. It is further informed that the comparative statement of the technical bids and test report prepared by the departmental committee have been uploaded again on the official website of the department i.e. hareda.gov.in. for information of all the concerned.

In order to further evaluate the bids technically and to open the price part of the bid, the meeting of the Standing Technical Committee (STC) is scheduled to be held on **14.09.2017 at 9:30 AM** in the conference room of the office i.e. **Akhay Urja Bhawan, Sector-17, Panchkula.**

Accordingly, all the bidders who wish to be present during the meeting of STC on 14.09.2017 are requested to be present as per the schedule given above. Also, if any of the bidders has some objection/comments on the said comparative statements, then they are requested to come prepared with all the relevant documents and present themselves before the committee. No further opportunity will be given to any of the bidders after the meeting of the Standing Technical Committee and the price part of only eligible bidders would be opened by the committee.

This is for kind information and further necessary action please.
