Regarding guidelines for approval of MW scale solar power projects

It is for the information of all concerned that the guidelines issued vide this office letter no. 3098-3101 dated 09.10.2018 for approval of MW scale solar power projects may be treated as provisional/draft guidelines as the department/HAREDA is in the process to obtain comments of concerned departments on these guidelines. Also suggestions from the stakeholders have been invited till 12.11.2018 through a notice on the website and a meeting of the stakeholders is also being planned for having detailed consultations in the matter.

After completing the above exercise, the guidelines may be suitably revised based on the feedback/suggestions so received, if required.
